

★ Making Inferences ★

Use clues from the text and pictures to help you infer what will happen next.

Harvey found out he was moving away.

★ What do you think will happen next? ★

★ What I Read:

- ★ Harvey found out he is moving away and asked, "So, what should I do on my last Aussie day?"

★ What I Know:

- ★ Harvey and his best friend Roo have played together and often go on adventures.

What else do you already know?

★ What I See:

- ★ What clues in the pictures help you figure out what might happen next?

My Inference:

What do you think Harvey and Roo will do on their last Aussie day together? _____

I can say...

"I INFER THAT..."
